—1963

Once again a year has been taken from the future and silhouetted in our memories. It has been a year of many worthwhile and enriching experiences, both academic and extracurricular, which will always remain as outstanding features in our lives.

We, the Lance Staff, present to you--the student body--the Lance of 1963, a portrayal in word and picture of the life and spirit of Ripon Christian High School.

Sincerely,

EDITOR: Edna Kamps

THE LANCE STAFF

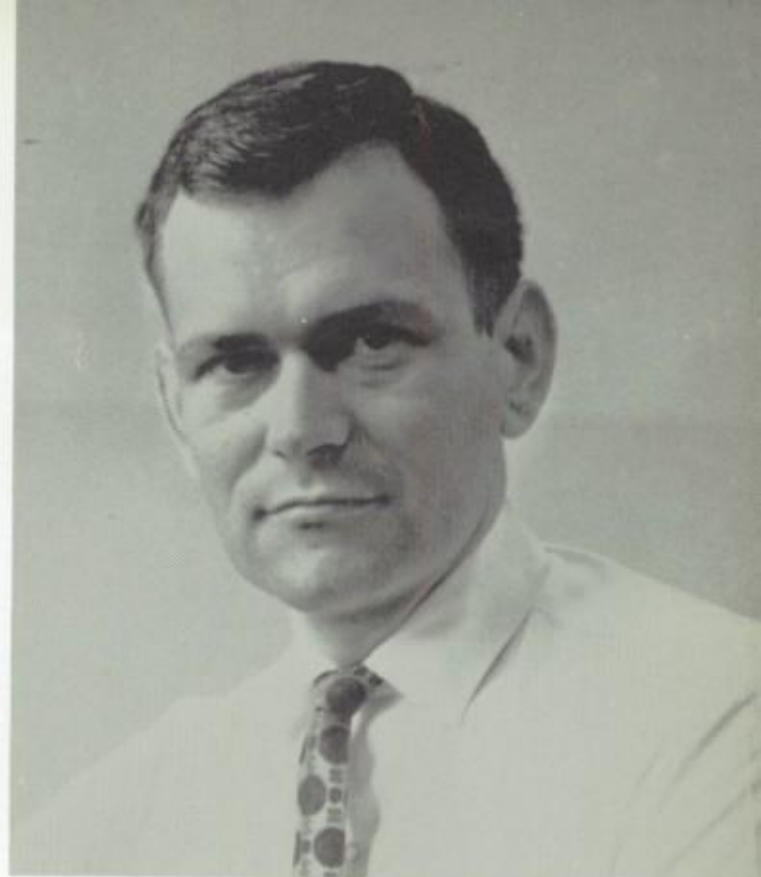

We, the Lance Staff of 1963, have chosen to dedicate this Lance to you, Mr. Witt, in appreciation of your willingness to aid us this year as our advisor, and of your four years of able service on the R. C. H. S. faculty.

We are sure that not only the staff, but also the entire student body, will always remember your hand in activities such as speech and debate, school plays, and senior class outings.

Through this dedication, we express our gratitude for and acknowledgment of these ways in which you have affected the past, present, and future of our school.

Sincerely,

The Lance Staff

Principal's Message

Graduates of 1963:

Spacemen in a space age! Today spacemen are highly regarded as the great pioneers and heroes of mankind. The moon, the planets, and the stars are within their reach. The far reaches of the universe beckon them.

We urge you, graduates of 1963, to be true space men. This challenge is not new to the Christian. Christians through the ages have been space minded. As children of the God who created the stars, the planets, and all the hosts of them by the breath of his mouth, we know that "the heavens declare the glory of God; the firmament showeth his handiwork. Day unto day uttereth speech and night unto night showeth knowledge. There is no speech nor language; Their voice is not heard."

We are not earth-bound creatures. We are heaven bound. As Christian spacemen, raise your eyes to heaven and lead others to see beyond the limits of earth and time to heaven and eternity where Christ reigns. This is your task. Will you take up the challenge?

Sincerely,

A handwritten signature in dark ink that reads "Andrew De Jong". The signature is fluid and cursive, with a long, sweeping tail on the "g".

Song: Lead on, O King Eternal, The day of march has come;
Henceforth in fields of conquest Thy tents shall be our home.
Thro' days of preparation Thy grace has made us strong,
And now, O King Eternal, We lift our battle song.

Lead on, O King Eternal, Till sin's fierce war shall cease,
And holiness shall whisper The sweet Amen of peace;
For not with swords loud clashing, Nor roll of stirring drums;
With deeds of love and mercy, The heav'nly kingdom comes.

Lead on, O King Eternal, We follow, not with fears;
For gladness breaks like morning Where'er Thy face appears;
Thy cross is lifted o'er us; We journey in its light;
The crown awaits the conquest; Lead on, O God of might.

Activities

December 16, 1962, 3:00 A.M. Yawn. The Seniors dragged themselves out of bed and met at our take-off place - Andy's house. Six and a half hours later we stepped out in the ice cold air of Yosemite.

After an appetite-raising hike to Vernal Falls (some brave boys even made it up to Nevada Falls), we ate the sack lunches we had brought along.

We set up housekeeping soon after that. When we had our little cabins all cozied, we went for an ambitious bike ride.

By this time we were thinking about supper, and our thoughts soon turned into a delicious reality. We wore off our supper investigating mysteries, chasing wild animals, and what-not, and headed to the lodge for a pizza and pepsi party. The wee hours had approached before we finally "hit the hay."

A few hours later that morning, after breakfast and cleanup, we hopped in our cars and headed toward Glacier Point, only to be turned back on account of snow. Most of us then took the long way home through the thrills of Oak Flat Road, and with a few interruptions, appeared on the home front a few hours later.
